*No Students\**

*No Graduates\*\**

PITC Institute is proud to be accredited by the Accrediting Bureau of Health Education Schools (ABHES). In accordance with ABHES policies, we have collected the graduation and employment data for our graduates.

The Placement Rate as reported by PITC Institute is based on the calculation provided by our accrediting body, the

The calculations below explain the methodology required by ABHES in calculating retention and placement rates to be reported by their member institutions.

### **Retention Rates**

ABHES requires the calculation of retention rates as follows:

$$(EE + G) / (BE + NS + RE) = R \%$$

(EE) Ending Enrollment Graduates

(BE) Beginning Enrollment New Starts

(RE) Re-entries

(R%) Retention Percentage

### **Placement Rates**

ABHES requires the calculation of placement rates as follows:

$$(P) / (G-U) = P \%$$

(P). Placed graduates

(G) Total graduates

(U) Graduates unavailable for placement percentage

### **Practical Nurse Program Information**

The following information represents the Practical Nurse, Diploma Program NCLEX-PN. (The Practical Nurse, AST program has not had any graduates).

### **Pass Rate Information**
